# Your Reason to say YES

Our YES Account with optional ROUND-IT-UP feature provides effortless savings.

We are pleased to offer a new way of thinking about your checking account! The new YES Account is a transactional account you can use for your everyday purchases without worrying about maintaining a minimum balance. Why is the YES Account called a transactional account you may ask? Most people no longer write checks, they swipe their debit card or use online bill pay for speedy payments and convenience. The YES Account along with our online banking and free County MoGO mobile banking app will allow you to take care of purchases from just about anywhere, pay bills, deposit checks as well as transfer money from account to account with ease. To top it all off, the YES Account is 100% compatible with Apple Pay, Samsung Pay and Android Pay! The \$5 service fee is easily waived by being enrolled in e-Statements and completing 15 or more debit card transactions during the statement period. YES, it is that easy.

Saving can be hard, but not with the YES Account! The list of features and benefits are numerous, with one of the options allowing you to put money in your savings account without having to think about it! The Round-It-Up feature will round up your debit card purchases to the nearest whole dollar amount and transfer the difference from the YES Account into a share savings account automatically. The Round-It-Up feature helps members put money in savings effortlessly.

The County Federal Credit Union is ready for you to say YES! With over 250 surcharge free ATM locations in Maine plus free Shared Branching and Online Banking, you have every reason to say YES. The County Federal Credit Union has what you want!
