## Get Ready for our Online Banking Upgrade April 11<sup>th</sup>

We are excited to bring our members the next generation of Online Banking tools to manage their money. With the new Online Banking Upgrade it will be:

- Easy to Manage your accounts online
- Easy to have a customizable Home Screen
- Easy to generate reports
- Easy to budget expenses
- Easy to search transactions
- Easy to make Transfers
- ...Plus many many more features.

On April 11, 2017 or anytime thereafter users of The County Federal Credit Union's Online Banking and County MoGo will need to go to [CountyFCU.org](http://CountyFCU.org) and re-register for Online Banking. The registration process will only take a couple of minutes and is easily accomplished by following the prompts. Visit [CountyFCU.org](http://CountyFCU.org) click on our Online Banking Tutorial link to learn more.

The new upgrade offers more secure authentication to better protect your personal information. If you are a current user of our mobile app, **County MoGo**, your user name and password must match with your Online Banking username and password. User names must be at least eight characters in length. The new password must also be 8 characters in length with at least one capital letter, one special character and one number. Having these extra characteristics in the user names and passwords really provide much more security.

The Upgrade is a more robust interface that will meet the membership's Online Banking needs and we are confident everyone will thoroughly enjoy the Upgrade.

**Your 2017  
Board of  
Directors  
Ballot is  
enclosed.  
Please  
take a  
moment to  
vote.**

## Financial Fitness Fairs

During the 2015-16 school year a total of 6,904 students from more than 115 high schools in Maine participated in a Financial Fitness Fair: A Money Management Experience. More than 35 Financial Fitness Fairs were hosted last school year, and to date, have been attended by more than 38,000 students across the state of Maine. At these fairs, credit union staff and volunteers help students complete a budget after facing real-world financial decisions, ranging from the kind car they will drive, the student loan they will need, and the type of cellphone plan they can afford. For many, it's their first time talking about saving, spending, budgeting and credit scores. This year's Aroostook Chapter Of Credit Unions Financial Fitness Fair will be on April 27 at Loring Job Corps Center.

For more information about the efforts of Maine's credit unions towards both youth and adult financial literacy, visit [www.maine.cul.org](http://www.maine.cul.org) and click on the Financial Education and Resources link in the "Community Involvement" section or visit [CountyFCU.org](http://CountyFCU.org).
